MEMORANDUM FOR: Chief, TAD/ORD/DD/S&T 25X1

SUBJECT : Patent Application - [redacted]
25X1 [redacted]

1. Attached, please find a draft of the subject application. Please review the draft for accuracy and completeness.

FOIAB3B 2. The original invention disclosure was classified SECRET. [redacted] does not have a security cleared draftsman and therefore, we would have to request [redacted] to FOIAB3B support us. However, it may be that the application is not inherently classified. Please determine what classification should be assigned to this application. If you determine that the application is unclassified, I will direct Mr. FOIAB3B [redacted] to prepare the drawing.

FOIAB3B 3. [redacted] mistakenly drew up an Assignment which grants all right, title, and interest to the Government. I will have the Assignment modified to grant the Government a License only.
